## **Empathy Map:**

## Says Thinks

I hope the ride will be cost-effective

I'm looking for guidelines on pest control.I'm looking for guidelines on pest control.

Can you provide details about organic fertilizers? I need a stepby-step guide on setting up an organic farm. I wonder if there are any grants available for sustainable farming.

Are there any case studies demonstrating successful implementation?

Attend workshops on sustainable agriculture. Start experimenting with crop diversification.

Reach out to local farmers for advice.

Excited about trying new sustainable farming methods.
